The Mental Health Legislation Committee to be assured that the work undertaken by the Power of Discharge Sub Committee during the quarter are carried out correctly.

Cefndir / Background

This Report provides in respect of the work that has been undertaken by the Power of Discharge Sub-Committee during the quarter, that those functions of the Mental Health Act 1983 (the Act), as amended are being carried out correctly; and that the wider operation of the 1983 Act in relation to the Local Health Board's area is operating properly.

The hospital managers must ensure that patients are detained only as the Act allows, that their treatment and care fully comply with it, and that the patients are fully informed of, and are supported in exercising, their statutory rights. Hospital managers must also ensure that a patient's case is dealt with in line with other legislation which may have an impact, including the Mental Capacity Act 2005, the Human Rights Act 1998 and the Data Protection Act 1998.
