

Reference:	FOI.11434.23
Subject:	Agency staffing hours
Date of Request:	5 April 2023

Requested:

Please confirm how many hours were worked by agency staff in 2021/22 and 2022/23 within this health board, providing a breakdown of this number by role, for example 'nursing', 'midwifery' and 'medicine'.

Response:

Hywel Dda University Health Board (UHB) does not hold all of the data requested for Allied Health Professionals (AHP)/Health Science Service (HSS) for the 2021/22 financial year, as the agency contract was held by a different provider pre November 2021 and the UHB no longer has access to the system or its data prior to this date.

Therefore, the UHB provides, within the table overleaf, the number of hours worked by agency staff, for Health Care Support Workers (HCSW), Nursing and Midwifery (N&M) and Medical and Dental (M&D) staff groups, during the 2021/22 and 2022/23 financial years and also provides the information held for the AHP/HSS staff group, for the period 1 November 2021 to 31 March 2022 and the 2022/23 financial year.

Staff group	2021/22	2022/23
HCSW	3,297	4,764
N&M	540,836	656,695
M&D	69,922	58,732
AHP/HSS	14,653	41,758
