SBAR REPORT

Sefyllfa / Situation

To present the amendments to the Hywel Dda University Health Board's (HDdUHB's) Corporate Scheme of Delegation (SOD) to the Audit and Risk Assurance Committee for review, prior to onward submission to the Board for approval on 26 March 2026.

Cefndir / Background

It is necessary to ensure that Local Health Board, Trust and Joint Commissioning Committee (JCC) Model Standing Orders and Standing Financial Instructions are kept up to date and take account of any developments. NHS organisations in Wales are required to review their Standing Orders and Standing Financial Instructions against these Model Standing Orders and Standing Financial Instructions on an annual basis.

The Health Board's current Corporate Scheme of Delegation (SOD) was approved by Board on 29 May 2025. Revisions have been made in line with changes to Executive portfolios agreed by the Remuneration and Terms of Service Committee since that time.

The full version of the SOD was recently reviewed at Formal Executive Team on 21 January 2026, identifying the revised responsibilities in respect of their portfolio areas in light of the gaps identified and also in line with changes agreed and approved at Remuneration and Terms of Service Committee meetings since the Scheme of Delegation was previously approved by the Board, as follows:

- Transfer of the management of Facilities, Estates, Property and Discretionary Capital transferred from Chief Operating Officer to Director of Allied Health Professions and Health Science.
- Transfer of Major Capital transferred from Chief Operating Officer to Director of Strategy and Planning.
- Transfer of direct line management of Allied Health Professions from Director of Allied Health Professions and Health Science to Chief Operating Officer.

- Transfer of responsibility for Medical Records Directorate from Chief Operating Officer to Director of Finance.
- Joint responsibility for the management of Clinical Audit between Medical Director and Director of Nursing, Quality and Patient Experience.
- Transfer of Medicines Management, performance issues (Medical, dental, pharmacy, optometry), management of performance panels and matters arising from managed practices to Medical Director
- Transfer of Primary Care Estates, Primary Care and Community Strategic Plan to Director of Strategy and Planning, following the departure of the Director of Primary Care, Community Strategy and Long Term Care.
- Transfer of the management of the Out of Hours Service from the Director of Primary Care, Community Strategy and Long Term Care to Chief Operating Officer.
