Lyn Mura's Patient Story

# Visual Identity Scheme – Catrin Jones

The Public Art Programme will help to create a comfortable and calming atmosphere that better reflects the service provided to patients by the CDU team.

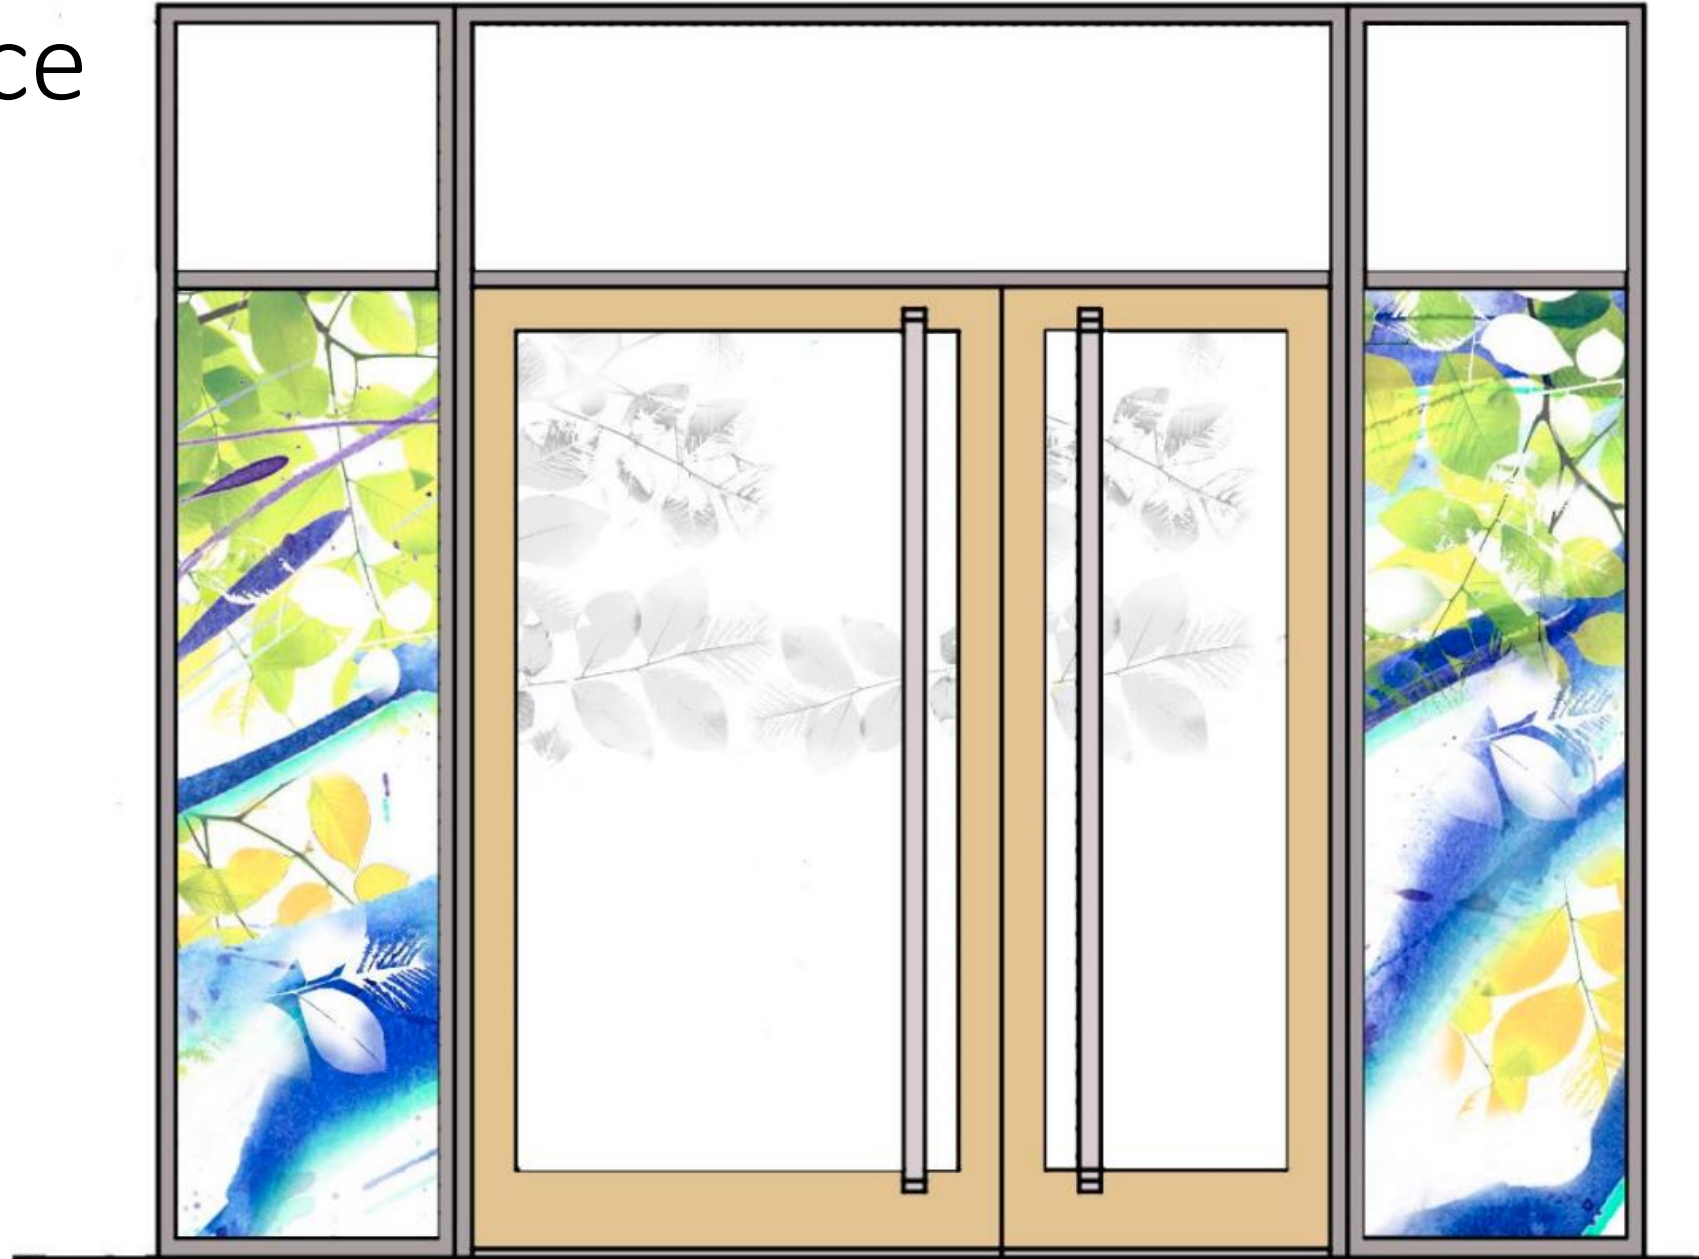

## **At home with nature - From mountain to sea (nature – land & sea)**

Drawing on our beautiful environment to help us to nurture our patients

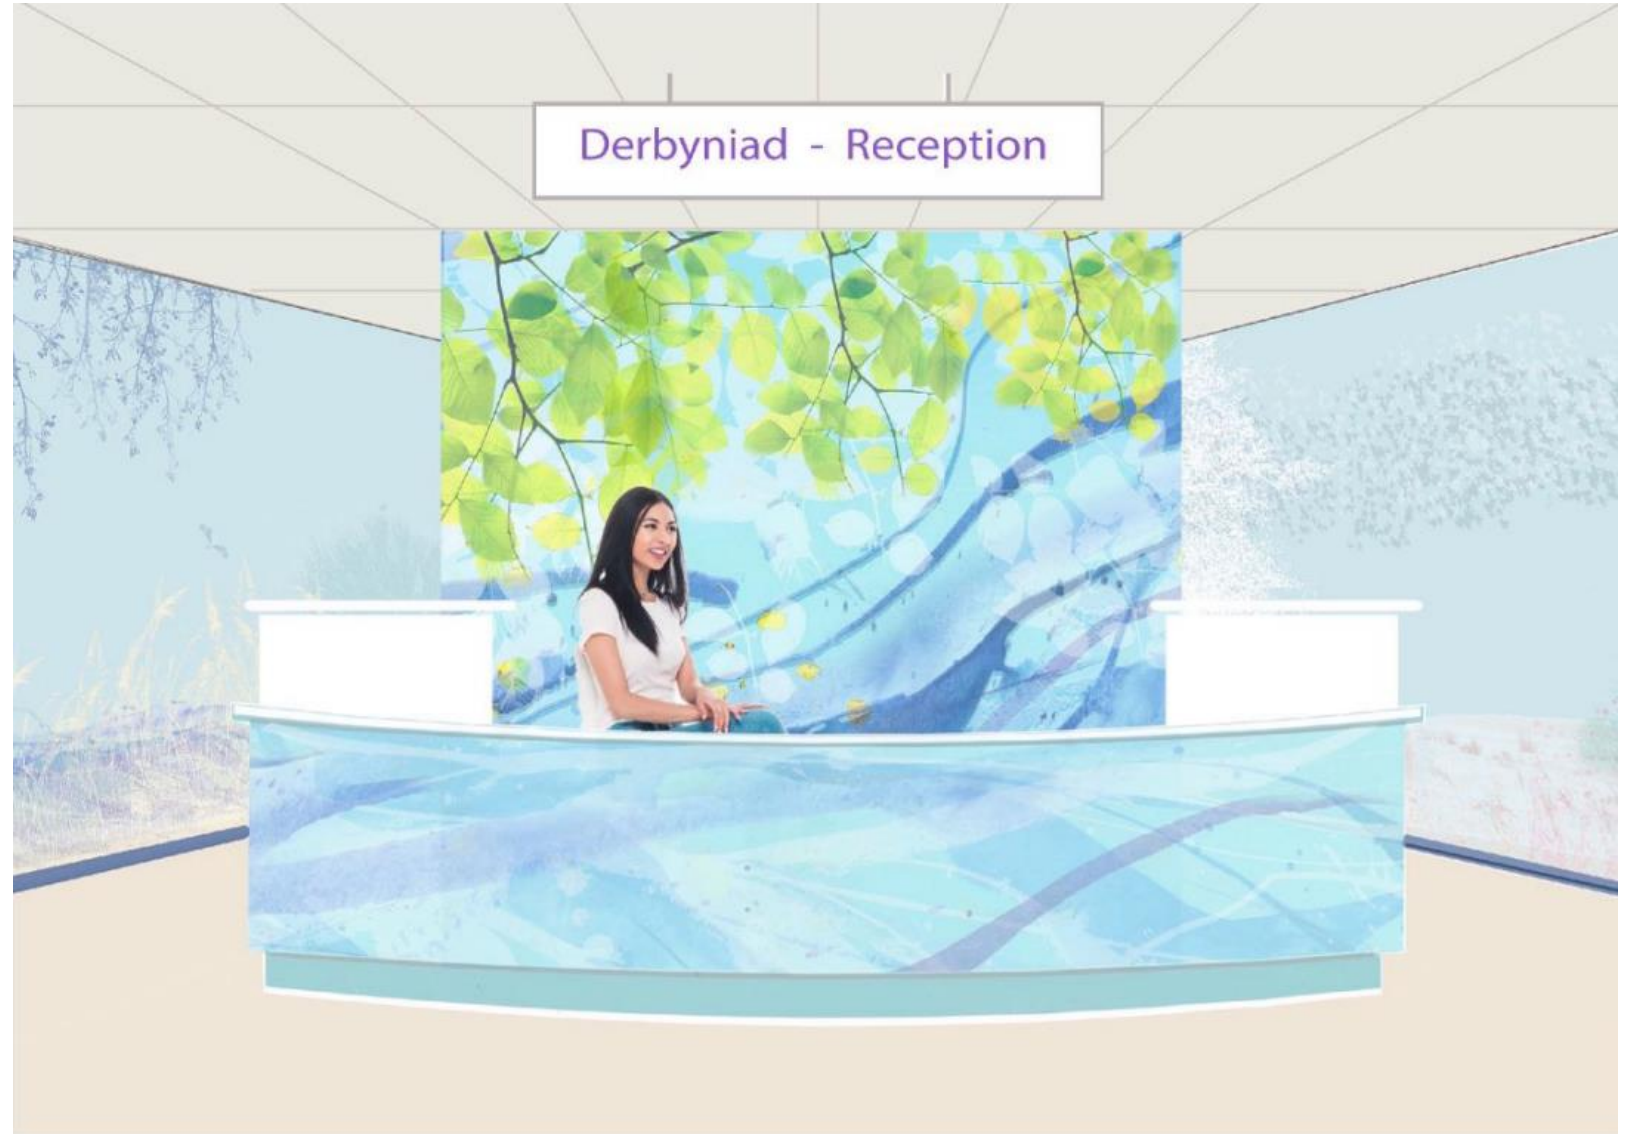

- Choosing, colours, shapes and imagery that reflect the tranquillity and dependability of nature

Inspired by the landscapes and nature of the route of the river Leri
