GIVING IN MEMORY

Remembering a loved one with a donation in their memory is a wonderful way to honour a special person during a difficult time. By choosing to support your local NHS charity the memory of your loved one will help us to enhance local NHS services.

Funeral collections
Asking friends and family to make a donation in lieu of flowers at a funeral or memorial service is a meaningful way to remember your loved one. If you would like to ask for donations to be made to support Hywel Dda Health Charities, please contact us to request collection envelopes to use at the service.

Tribute funds
A Hywel Dda Health Charities tribute fund is an online memorial that you can create and personalise in memory of a loved one; it is a place for you to remember and celebrate the life of someone who is special to you. You can set up your tribute fund at www.muchloved.com

Take part in an event
Fundraising in memory is an incredibly special and unique way to honour someone close to you. Whether it is a cake sale or a sky dive, there are so many ways you can raise sponsorship in memory of a loved one.

Make a donation
If you would like to celebrate the life of a loved one by making a one-off donation to Hywel Dda Health Charities, you can donate easily at www.hywelddahealthcharities.org.uk

If you would prefer to donate by post, please make cheques payable to 'Hywel Dda Health Charities' and send to Hywel Dda Health Charities, Hafan Derwen, St David's Park, Jobswell Road, Carmarthen, SA31 3BB. Remember to include your contact details and please do not send any money through the post.

However you choose to support us in memory of someone special - thank you.
