Sefyllfa / Situation

A revised set of Planning Objectives has now been incorporated into Hywel Dda University Health Board's (HDdUHB) plan for 2022/25 that set out the aims of the organisation, *i.e.* the horizon that HDdUHB is driving towards over the long term, as well as a set of specific, measurable Planning Objectives, which move the organisation towards that horizon over the next three years.

Each of the Planning Objectives has an Executive Lead and this report is to provide the Health & Safety Committee (HSC) with an update on the progress made in the development (delivery) of the Planning Objectives that are aligned to HSC, for onward assurance to the Board.

Cefndir / Background
