# Our aims.

- To contribute to the development of MH Services.
- To enable young person's voices to be heard within CAMHS.
- To coproduce future CAMHS projects with insight and feedback from young people within the service.
- To raise awareness and educate others regarding young people's mental health within the community.
- To have a forum for YP within S.CAMHS which will empower them for the future

# Our key Issues With The Current System

- 1)Provisions and operations of current mental health services.
- 2)The stigma within the community.
- 3)Young people's education regarding mental health.

# What do you think?

- We are looking for the viewpoints and opinions of professionals within the industry.
- For the next 5 minutes please give your thoughts and feelings on what we've discussed in the google forms linked in the chat:

**What would you change yourself?**

**How can you support?**

**What do you think of our ideas?**
