

# WOMENS EXPERIENCE FEEDBACK — APRIL 2022

Kathryn Greaves Head of  
Midwifery and Womens Services  
Hywel Dda

# IT WASN'T ANY EASY PREGNANCY?

Information is key to supporting understanding in pregnancy.

**NO BEDS AVAILABLE ON MY DAY OF  
ADMISSION!**

Communication is critical to  
building trust and confidence.

## IT WASN'T A QUICK PROCESS.

Information is important in shared decision making and making informed decisions, what may be routine for clinicians is not for women.

# FEELING ANXIOUS ABOUT THE BIRTH

Trusting relationships where care is co designed supports confidence in the team.

## I FELT SAFE AND CARED FOR

Communication, birth plans and ongoing care that is recommended supports women to feel safe.

## 9 MONTHS OF GREAT CARE

We are the face of the service,  
how we deliver care impacts for  
a lifetime.

**BABY CIAN BORN 27<sup>TH</sup> DECEMBER  
2021, WEIGHING 9LB 13 OUNCES**

The reason we come to work and  
strive to be the difference.
