QUALITY, SAFETY & EXPERIENCE COMMITTEE

1. Constitution

- 1.1 The Quality & Safety Committee was established as a Committee of the Hywel Dda University Health Board (HDdUHB) and constituted from 1 October 2009.

2. Principal Duties

The purpose of the Quality, Safety & Experience Committee is to:

- 2.1 Provide the Board with assurance that care across the Health Board is safe, timely, efficient, effective, equitable and person-centred, aligned to the twelve Health and Care Quality Standards and the strengthened statutory Duty of Quality introduced through the Health and Social Care (Quality and Engagement) (Wales) Act 2020.
- 2.2 Scrutinise performance and patient and population impact and outcomes, and risks, ensuring that the Health Board continually meets its obligations under the Act to consider, monitor, and improve the quality of health services in all decision-making.
- 2.3 Offer timely, evidence-based advice, and ensure effective and robust governance, strategies and delivery plans are in place to continuously improve the quality and safety of services in line with organisational objectives and the statutory duties of Quality and Candour established by the Act.

3. Key Responsibilities

The Quality, Safety & Experience Committee shall:

- 3.1 Provide advice to the Board on the adoption of a set of key indicators of quality of care against which the University Health Board's performance will be regularly assessed and reported on.
- 3.2 Seek assurance on the management of risks within the Corporate Risk Register (CRR) and Operational Risk Registers (including for hosted services and through partnerships and Joint Committees as appropriate) aligned to the Committee and its sub-committees, and report any areas of significant concern e.g. where risk tolerance is exceeded, lack of timely action. Where risks cannot be brought within the Health Board's risk appetite/tolerance, recommend acceptance of risks to the Board.
- 3.3 Receive assurance through Sub-Committee Update Reports and other management/task & finish group reports that risks relating to their areas are being effectively managed across the whole of the Health Board's activities (including for hosted services and through partnerships and Joint Committees as appropriate).
- 3.4 Ensure the right enablers are in place to promote a positive culture of quality improvement based on best evidence.

- 3.5 Oversee the development and implementation of strengthened and more holistic approaches to triangulating intelligence to identify emerging issues and themes that require improvement or further investigation.
- 3.6 Provide assurance that all reasonable steps are taken to prevent, detect and rectify irregularities or deficiencies in the quality and safety of care provided, and in particular that sources of internal assurance are reliable, there is the capacity and capability to deliver, and lessons are learned from patient safety incidents, complaints and claims.
- 3.7 Receive assurance on delivery against the areas of targeted intervention, and the required elements for de-escalation, that are aligned to the Committee.
- 3.8 Provide assurance to the Board that current and emerging clinical risks are identified and robust management plans are in place and any learning from concerns is applied to these risks as part of this management.
- 3.9 Provide assurance to the Board in relation to improving the experience of patients, including for those services provided by other organisations or in a partnership arrangement. Patient Stories, Patient Charter and Board to Floor Walkabouts will feature as a key area for patient experience and lessons learnt.
- 3.10 Provide assurance to the Board in relation to its responsibilities for the quality and safety of mental health, primary and community care, public health, health promotion, prevention and health protection activities and interventions in line with the Health Board's strategies.
- 3.11 Ensure that the organisation is meeting the requirements of the Health and Social Care (Quality and Engagement) Act and recommend the Annual Duty of Quality and Duty of Candour Reports to Board for approval as soon as reasonably practicable after the end of each financial year.
- 3.12 Ensure that the organisation is meeting the requirements of the NHS Concerns, Complaints and Redress Arrangements (Wales) Regulations.
- 3.13 Approve the required action plans in respect of any concerns investigated by the Ombudsman.
- 3.14 Agree actions, as required, to improve performance against compliance with incident reporting.
- 3.15 Provide assurance that the Central Alert Systems process is being effectively managed with timely action where necessary.
- 3.16 Seek assurance on the delivery of the requirements arising from the Health Board's auditors, inspectorates and regulators, Welsh Government and professional bodies.
- 3.17 Approve the annual clinical audit plan, ensuring that internally commissioned audits are aligned with strategic priorities.

- 3.18 Provide assurance that a review process to receive and act upon clinical outcome indicators suggesting harm or unwarranted variation is in place and operating effectively at operational level, with concerns escalated to the Board.
- 3.19 Consider advice on clinical effectiveness, and where decisions about implementation have wider implications with regard to prioritisation and finances, prepare reports for consideration by the Executive Team who will collectively agree recommendations for consideration through relevant Committee structures.
- 3.20 Provide assurance in relation to the organisation's arrangements for safeguarding vulnerable people, children and young people.
- 3.21 Receive decisions made with regard to significant claims against the Health Board, valued in excess of £100,000, or valued under £100,000, but which raise unusual issues or may set a precedent, and ensure that the learning from such cases is considered, with relevant actions agreed as appropriate.
- 3.22 Approve policies and plans within the scope of the Committee, having taken an assurance that the quality and safety of patient care has been considered within these policies and plans.
- 3.23 Assure the Board in relation to its compliance with relevant healthcare standards and duties, national practice, and mandatory guidance.
- 3.24 Develop a work plan which sets clear priorities for improving quality, safety and experience each year, together with intended outcomes, and monitor delivery throughout the year.
- 3.25 Review and approve annual work plans for any Sub-Committees which has delegated responsibility from the Quality, Safety and Experience Committee and oversee delivery and monitor the impact on patients of the Health Board's services and their quality.
- 3.26 Refer matters which fall within the remit of other Committees.
- 3.27 Seek assurance on delivery against all Planning Objectives aligned to the Committee, in accordance with the Board approved timescales, as set out in the Health Board's Annual Plan, considering, and scrutinising the plans and programmes that are developed and implemented, supporting and endorsing these as appropriate.
