SBAR REPORT

Sefyllfa / Situation

This report relates to the Month 6 2022/23 Integrated Performance Assurance Report (IPAR). The full performance assurance report is made available in the format of a Power BI dashboard which can be accessed via the following link: [Integrated Performance Assurance Report \(IPAR\) dashboard as at 30th September 2022](#). Ahead of the Committee meeting, the dashboard will also be made available via our [internet site](#).

The IPAR dashboard uses Statistical Process Charts (SPC) charts. A summary of the SPC chart icons can be found in the dashboard help pages. There are also two short videos available to explain more about SPC charts:

- [Why we are using SPC charts for performance reporting](#)
- [How to interpret SPC charts](#)

The IPAR dashboard summarises the quantitative measures from the 2022/23 NHS Performance Framework (see background section below for further details). The framework also includes nine qualitative templates that Health Boards are required to complete. The following updates were submitted to Welsh Government early September 2022:

- Progress against the Health Board's plans to deliver the NHS Wales Weight Management Pathway
- Progress to develop a whole school approach to Child and Adolescent Mental Health Services (CAMHS) in-reach services
- Progress against the priority areas to improve the lives of people with learning disabilities
- Evidence of NHS Wales advancing its understanding and role within the foundational economy via the delivery of the Foundational Economy in Health and Social Services 2021-2022 Programme
- Evidence of NHS Wales embedding Value Based Health Care within organisational strategic plans and decision making processes
- Dementia learning and development framework update
- NHS Wales' contribution to Decarbonisation update
- Help Me Quit and smoking during pregnancy update

The qualitative updates can be accessed via our [internet site](#).
 If assistance is required in navigating the IPAR dashboard, please contact the Performance Team - GenericAccount.PerformanceManagement@wales.nhs.uk
