9. Does the Health Board consider there is sufficient local residential care provision to meet the needs of aged 18-64 with learning disabilities and/or autism who have a high level of complex needs, and which providers does the Health Board mainly use for these placements? What are occupancy levels locally?	The Freedom of Information Act 2000 (FoIA) covers any recorded information that is held by a public authority; recorded information includes printed documents, computer files, letters, emails, photographs, and sound or video recordings. The FoIA does not cover information on estimates, opinions or recommendations. The UHB has an obligation to provide information already in recorded form but cannot create new information to answer a question. However, under Section 45, the UHB provides a link below to the West Wales Regional Partnership Board - Market Stability Report (MSR) Review. https://wwrpb.org.uk/market-stability-report-review/ Link to the recent regional market stability report will provide overview of current position in relation to local market
