Dear Colleague,

Summary

1. This circular is issued to NHS bodies to clarify the approval process linked to the acquisition or disposal of lease, where approval does not form part of a business case process, including requirements for primary care following the revocation of WHC (2007) 064.

2. This circular does not replace the requirements for NHS Bodies to seek consent to enter into associated contracts as part of any All Wales Capital Programme projects.

Background

3. In order to determine the appropriate process to be followed for any lease entered into by the NHS, consideration has been given to Paragraph 13 of Schedule 2 to the NHS (Wales) Act 2006 which states;

   “13(1) Subject to sub paragraph (3) a Local Health Board may do anything which appears to it to be necessary or expedient for the purposes of or in connection with the exercise of its functions.

   (2) In particular it may –

   (a) acquire or dispose of property;
   (b) enter into contracts;
   (c) accept gifts of property (including property to be held on trust, either for the general or any specific purpose of the Local Health or for any purpose relating to the health services).

   (3) a Local Health Board may not do anything mentioned in sub-paragraph (2) without the consent of the Welsh Ministers (which may be given in general terms covering one of more descriptions of the case).

4. In order to understand where a lease sits under sub-paragraph (2), Section 206 of the Act provides that “property” for the purpose of the Act includes “rights”. A lease being a property right therefore sits under paragraph 13(2) (a) – Acquire or dispose of property. As such, a NHS body proposing to acquire or dispose of a lease must obtain the consent of the Welsh Ministers.

5. The provision also allows the Welsh Ministers to give consent, if it thinks fit, which may be given in general terms covering one or more descriptions of a case.

New Monitoring Arrangements

6. The Minister has agreed that where LHBs require consent to enter a lease or dispose of (including surrenders/assignments) of a lease in property, a similar
process to that which applies to contracts is to be introduced. The general consent will be based on the following arrangements:

1. for leases with a cumulative rental value of up to £500,000 each Local Health Board and Trust will be required to submit a return to the Minister on a 6-monthly basis summarising relevant transactions on form ADL 1 (first return will be required on 30th January 2016 and 6 monthly thereafter);

2. for leases with a cumulative rental value of between £500,000 to £1 million (for each Local Health Board) and any contract in excess of £500,000 (for Trusts) a contract summary form should be provided as per form ADL 2 for Ministerial review before the lease is agreed. Whilst it is not necessary to obtain specific Welsh Ministers consent to enter the lease agreement, adequate information should be provided to enable the Minister to review the particulars. A briefing note will need to be prepared for the Minister at least two weeks before the lease being agreed (or as soon as possible after heads of terms reported) so that particulars can be noted; and

3. for leases with a cumulative rental value exceeding £1 million, each LHB will require specific consent from the Minister. An application for consent is to be submitted as soon as possible after agreement of heads of terms as per form ADL 3. For Trusts notification will be required as per the process set out in (2) above.

7. For the purposes of the above, the cumulative rental value referenced above ignores any break provisions and the figures are exclusive of VAT.

8. In order to ensure timely processing of paperwork and approvals in accordance with the above, all forms need to be returned to Zara Morris, zara.morris@wales.gsi.gov.uk at the Capital, Estates & Facilities team at least 10 working days prior to the targeted completion date.

Scope

8. This WHC applies to any leasehold arrangement where approval is not covered under the business case process. Please ensure the forms attached to this document are submitted with the required information.

Action

9. Chief Executives of all Local Health Boards and Trusts should ensure that the requirements of this document are introduced with immediate effect.

10. Enquires regarding the application process or monitoring arrangements should be directed in the first instance to Richard Barr, Capital, Estates & Facilities, Department of Health & Social Services richard.barr@wales.gsi.gov.uk telephone: 029 20 823987.
