Subject:	Apprenticeships
Date of Request:	26 July 2019

Requested

1. Do you have an apprenticeship programme?
2. If so, how many apprenticeship places has your organisation offered in 2016-17, 2017-18 and 2018-19?
3. If possible, could you break down these apprenticeships by profession? E.g. healthcare professional, nursing, estates management
4. Do you currently work with any organisations to provide apprenticeships and could you list these please?
5. Do you currently work with universities to provide degree apprenticeships and, if so, could you list the courses on offer?

Response:

1. Hywel Dda University Health Board (UHB) confirms it does have an apprenticeship programme. The UHB apprenticeship academy was launched in early 2019, which currently provides Health Care Apprenticeships, apprentices will train to gain Registered Nurse status. Prior to 2019, apprenticeships were used to upskill the existing workforce.
