<b>Subject:</b>	Arthritis treatment guidelines
<b>Date of Request:</b>	10 February 2021

**Requested:**

Please may I enquire if your organisation has local treatment guidelines for the treatment of the following conditions:

- Axial spondyloarthritis
- Ankylosing spondylitis
- Rheumatoid arthritis

If you have such guidelines please could I request a copy?

**Response:**

Hywel Dda University Health Board (UHB) confirms that it does not have any locally developed guidelines for the listed conditions. However, the UHB can confirm that it adheres to the British Society for Rheumatology (BSR) and Bureau of Health Professions (BHPR) guidelines for the treatment of axial spondyloarthritis. A copy has been provided, at Attachment 1
