| <b>Reference:</b>       | FOI.20692.26                                              |
| <b>Subject:</b>         | Attention Deficit Hyperactivity Disorder (ADHD) Titration |
| <b>Date of Request:</b> | 12 June 2026                                              |

**Requested:**

Thank you for your response to our recent request (your ref FOI/20375/26). That response noted that the clinical team's focus has been on titration. I am writing to make a further request under the Freedom of Information Act 2000 for the following information regarding ADHD medication titration within Hywel Dda University Health Board.

**Adult ADHD Titration**

1. How many adults do you have waiting for ADHD medication titration at the moment?
2. How many adults received ADHD medication titration in the last year (1st April 2025 - 31st March 2026).

**Child ADHD Titration**

3. How many children do you have waiting for ADHD medication titration at the moment?

How many children received ADHD medication titration in the last year (1st April 2025 - 31st March 2026)

**Response:**

1. Hywel Dda University Health Board (UHB) confirms seven hundred and forty-three (743) adults were waiting for ADHD medication titration, as at 12 June 2026.
2. The UHB confirms forty-eight (48) adults received ADHD medication titration during the period 1 April 2025 to 31 April 2026.
- 3 & 4. The UHB does not hold this information as it is not routinely recorded or collated by the service.
