

<b>Reference:</b>	FOI.2581.20
<b>Subject:</b>	Bereavement counsellors
<b>Date of Request:</b>	3 February 2020

**Requested:**

The numbers of female and male staff currently employed in Counselling roles within Hywel Dda University Health Board.

**Response:**

There are 16 members of staff who have the word “Counsellor” or “Counselling” in their Job Title. The gender split is fourteen (14) female and two (2) male.

We are unable to specifically extract other post holders who may have counselling duties as part of their roles if the term ‘Counselling’ or Counsellor’ is not in the job title recorded on the Electronic Staff Record (ESR) system.
