| <b>Subject:</b>         | Biffa waste contract |
| <b>Date of Request:</b> | 28 April 2023        |

**Requested:**

As per my records, Biffa waste contract has expired. I would like to know whether this contract is still valid or replaced by any other supplier.

If all the information besides the contract dates are the same, I am happy to just receive an update on the contract dates

**Response:**

Hywel Dda University Health Board confirms that the Biffa Waste contract has been extended locally under the Eastern Shires Purchasing Organisation (ESPO) Framework to the end of September 2023.

However, the Procurement Department in NHS Wales Shared Services Partnership (NWSSP) are in the process of tendering for an all Wales all General Waste/Recycling waste contract.

Therefore, as this is an all Wales contract being managed by NWSSP, you may wish to contact NWSSP, for further details on this contract. Contact details for the FOI Team in NWSSP are as follows:-
