Subject:	Brain cancer treatments
Date of Request:	7 September 2022

Requested:

1. How many patients have been treated for glioblastoma brain cancer in the last 12 months, in your trust/ health board?
2. Which consultant is the nominated medical lead for the treatment or referral of glioblastoma brain cancer?
3. Does your trust/ health board treat all referred glioblastoma brain cancer cases, or are they referred to different centre's? If so, which treatment centre(s) are they referred to?

Response:

1. Hywel Dda University Health Board (UHB) can confirm that it has treated twelve (12) patients for glioblastoma brain cancer between 1 September 2021 and 31 August 2022.
2. Mr George Eralil is the UHB's clinical lead for brain cancer.
3. All patients are referred onward to Cardiff and Vale University Health Board for surgery. However, most patients will be treated locally with chemotherapy and radiotherapy.
