

<b>Reference:</b>	FOI.546.19
<b>Subject:</b>	Cardiac stress test equipment
<b>Date of Request:</b>	12 April 2019

**Requested**

I would like to request a list of all cardiac stress test equipment currently in use within Hywel Dda Health Board please.

Specifically:

1. Type of stress test machine in use
2. How many stress test machines in use
3. Type of monitor in use
4. Age of monitor

**Response:**

Hywel Dda University Health Board (UHB) has four acute hospital sites Bronglais General Hospital (BGH), Glangwili General Hospital (GGH), Prince Philip Hospital (PPH), Withybush General Hospital (WGH) each housing their own cardiac stress test equipment. The table below provides the requested details for the cardiac stress test equipment used within each of the four hospital sites.

<b>Question</b>	<b>BGH</b>	<b>GGH</b>	<b>PPH</b>	<b>WGH</b>
