

Reference:	FOI.18914.25
Subject:	Cardiology procedures
Date of Request:	24 November 2025

Requested:

The purpose of this letter is to request that you let us have copies of any information, records and other data in relation to the wait times for elective cardiology procedures, specifically elective coronary angiograms and Percutaneous Coronary Intervention (PCI) for the period 1 March 2021 to 3 July 2021.

Response:

Hywel Dda University Health Board (UHB) does not hold all of the information requested as it does not perform Percutaneous Coronary Intervention (PCI) procedures. All UHB patients requiring PCI would be referred to and treated in Swansea Bay University Health Board (SBUHB).

However, the UHB can confirm that the wait time for an urgent Coronary Angiogram (CA) was two (2) weeks and the wait for a routine CA was less than eight (8) weeks, during the period 1 March to 3 July 2021; in line with the targets set by Welsh Government.
