

Reference:	FOI.2399.20
Subject:	Childcare facilities
Date of Request:	28 January 2020

Requested:

Can you please provide detail of the childcare facilities operated under the management of your health board or by a contractor and include

- The number of spaces made available.
- Whether the facility is only available to NHS staff.
- Whether this provision is available to all staff grades working within the NHS?

Response:

Hywel Dda University Health Board (UHB) has one childcare facility operating under its management at Withybush General Hospital.

Withybush Crèche is registered with Care Inspectorate Wales (CIW) to offer 36 places to children up to the age of twelve. The crèche offers places to NHS staff of all grades in addition to members of the public.
