

Reference:	FOI.2221.19
Subject:	Policy and procedures for attendance of children at A&E unexplained injury
Date of Request:	23 December 2019

Requested:

I would like to make an FOI request about your policy/ procedure should a child be presented at A&E with an unexplained injury.

Is there a specific policy/procedure which relates to this? If so, please can you provide this to me.

Response:

Hywel Dda University Health Board (UHB) has provided a copy of the safeguarding children and young people in emergency department/out of hours service procedure policy, Attachment 1. In addition to this policy, there are several standard operating procedures which guide the way in which accident and emergency (A&E) staff operate.
