Subject:	Cleaning companies that Hywel Dda University Health Board (UHB) engage with
Date of Request:	16 January 2019

Requested

1. Do any hospitals in your trust currently have a contract with these companies:
 - SPECIALIST HEALTH SOLUTIONS LIMITED (09261556)
 - SPECIALIST HYGIENE SOLUTIONS LIMITED (07183575) which is also known as HYGIENE SOLUTIONS LIMITED
2. They provide a room decontamination service, called Deprox, and associated consumables, particularly called Deproxin fluid.
3. The registered address for both companies is: Maple House, Hamlin Way, Hardwick Industrial Estate, Kings Lynn, Norfolk, United Kingdom, PE30 4NG
4. If you currently have a contract with either company, please answer these questions:
5. What date did you start the contract?
6. How much have you spent on this contract so far?
7. In hospitals that the Deprox machines are used in, are they used throughout the entire hospital or just in certain wards (if it is the latter, which wards)?
8. If you do not currently have a contract with either company but did in the past, please answer these questions:
9. What date did the contract start and finish?
10. How much did you spend on the contracts?
11. In hospitals the Deprox machines were used in, were they used throughout the entire hospital or just in certain wards (if it is the latter, which wards)?

Response:

Hywel Dda University Health Board (UHB) does not have any record of having held a contract with either of the named companies.
