

Reference:	FOI.17883.25
Subject:	Clinical insourcing services
Date of Request:	22 July 2025

Requested:

1. Please state the total expenditure by the Trust on clinical insourcing services for the financial year 2024-2025.

Please note, clinical insourcing is defined as the practice where external healthcare providers deliver specialised medical services or procedures within a healthcare facility's existing infrastructure to address capacity demands or reduce patient waiting lists.

2. For the financial year 2024-2025, please list all clinical specialties for which the Trust utilised insourcing services. For each specialty, please name the insourcing provider(s) used.
3. As of 22nd July 2025, please confirm if the Trust has any active (live) insourcing contracts in place. If yes, for each active contract, please specify the clinical specialty, the name of the insourcing supplier, and the contract end date.

Response:

1. Hywel Dda University Health Board (UHB) confirms it spent £1,543,435.00 on clinical insourcing services, during the 2024/25 financial year.
2. The UHB provides, within the table below, details of all clinical specialties it has utilised for insourcing services during the 2024/25 financial year, split by specialty and provider.
