Is this contract annually renewed? Yes/No	request to their Freedom of Information
Do you currently have plans to replace this system? - Yes/No	(FoI) Team in NWIS nwis_foirequest@wales.nhs.uk

System definitions:

Bed Management – Real-time bed states are viewable and accessible, enabling more efficient management of bed occupancy and patient movements.

Diagnostic Reporting - Test results which are electronically transmitted to the clinician who ordered them, with receipt acknowledgement.

Discharge Letters - The ability to electronically generate and send detailed discharge letters to GPs and other relevant HCPs, when a patient is discharged from hospital-based services.

Integration Platform - Software that supports the integration and interoperability of various clinical and management IT systems and services.

Please let me know if you require any clarification.
