<b>Subject:</b>	Compensation claims for staff workplace injuries.
<b>Date of Request:</b>	14 January 2019

### **Requested**

Please send me information on the number and nature of compensation claims brought against your organisation by members of staff who have sustained an injury or contracted a disease while employed your organisation since January 2016 to the present time (last 3 years).

I would like a year by year breakdown, preferably on an excel document via email, detailing:

- Details of the injury (i.e. moving and handling injury, slips/trips/falls and so on)
- Staff role if known (i.e. staff nurse, doctor)
- Whether compensation was paid
- The total amount of compensation paid
- If information available, any action taking following the incident (i.e. additional training, non-slip flooring and so on)

### **Response:**

Hywel Dda University Health Board (UHB) has provided the details of all completed cases for compensation due to a staff injury or illness in the workplace within attachment 1.

The UHB can confirm that the total amount of compensation paid out for these cases was £20,150.
