

Reference:	FOI.19686.26
Subject:	Consultancy spend for digital systems,
Date of Request:	20 February 2026

Requested:

Please provide information on spend with large multinational consultancies and system integrators for services relating to digital, data and technology, including (but not limited to):

- Deloitte
- Ernst & Young (EY)
- KPMG
- PricewaterhouseCoopers (PwC)
- Accenture
- CGI
- Capgemini
- IBM
- Capita

Time period

- For the last three complete financial years, and year-to-date for the current financial year, please provide the following information.

Information requested

1. For each supplier listed above, please provide (where held):
 - a. Total spend (£) per financial year
 - b. The supplier name as recorded in the organisation's finance/procurement systems (including any relevant trading names used)
 - c. A high-level description of services provided (for example: strategy/advisory; discovery/research; design; delivery/implementation; systems integration; managed services/operational support; assurance/audit/compliance)
2. Whether the spend primarily relates to:
 - a. advice/assurance, or
 - b. delivery/implementation/operational capacity

If possible, please provide the information in a tabular format (for example, CSV or spreadsheet).

Response:

Hywel Dda University Health Board (UHB) confirms that it has used the consultancy agencies CGI Limited and Deloitte for Digital Services, during the requested period. Therefore, the UHB provides the requested information within the attached spreadsheet, at Attachment 1.
