| Reference: | FOI.984.19 |
| Subject: | Coronary Computerised Tomography (CT) Angiography. |
| Date of Request: | 17 June 2019 |

Requested

1. How many (if any) Coronary CT Angiography scans with non-invasive FFR analysis or HeartFlow analysis were performed in the financial year 2017-18?
2. How many (if any) Coronary CT Angiography scans with non-invasive FFR analysis or HeartFlow analysis were performed in the financial year 2018-19?
3. If this technology is available to the trust when did it become available?

Response:

Hywel Dda University Health Board (UHB) did not perform any Coronary CT angiography scans during the requested period as the technology is not available at the UHB. All patients requiring Coronary CT Angiographs are referred to Swansea Bay University Health Board.
