Subject:	Cost and patient numbers
Date of Request:	27 February 2026

Requested:

I would like information about the cost and patient numbers associated with Glangwili hospital. In particular:

Overall running cost

1. Can you please information on the overall cost of running Glangwili hospital, and if possible, this total decomposed by the cost of A&E services, outpatient services, and in-hospital services (for patients staying in the hospital).

Patient numbers

2. Can you please provide information on the daily average number of patients seen by the hospital? Again, I would this total further identified by the number of patients treated in A&E, out patient services, and in-hospital services.

Response:

1. Hywel Dda University Health Board (UHB) provides within the table below, the overall running costs for Glangwili General Hospital (GGH), split by specialist areas, for the 2024/25 financial year.

Area	Cost
Inpatients	£137,068,176.75
Day cases	£16,919,346.17
Regular Day Attenders	£4,816,879.16
Outpatients	£31,710,401.91
Emergency Unit	£22,800,876.90
Total	£213,315,680.89

2. The UHB provides within the table below, the average number of daily attendances, appointments or admissions for GGH split by department, during the 2025 calendar year.

Area	Number
Accident and Emergency (A&E)	152
Same Day Emergency Care (SDEC)	16
Inpatients	121
Outpatients	339

Please note: the figures provided in the above table include reattenders and those who were seen virtually. Additionally, these figures have been calculated by dividing the yearly totals by 365 days.
