|-------------------------|----------------------------|
| Reference: | FOI.7852.21 |
| Subject: | COVID vaccine appointments |
| Date of Request: | 29 December 2021 |

Requested:

Could you please advise of how many people were provided with an appointment for a booster vaccination and how many actually attended those appointments for the period 1st December 2021 to today 27th December 2021.

Response:

Hywel Dda University Health Board (UHB) provides, within the table below, the number of COVID-19 vaccine appointments offered and those attended, during the period 1 to 27 December 2021.

| Appointment | Number |
|--------------------|---------------|
| Offered | 73,804 |
| Attended | 53,976 |

Additionally, the UHB offers drop in services, where possible, for those that require a COVID-19 vaccination and have not received an appointment as yet. We are aware of some individuals that have attended as a walk in at a drop in service prior to their booked appointment date.

Where appointments are not attended, it provides additional capacity for those people using the drop-in service, ensuring limited waste.
