|-------------------------|--------------|
| <b>Reference:</b>       | FOI.9203.22  |
| <b>Subject:</b>         | Data Storage |
| <b>Date of Request:</b> | 21 June 2022 |

**Request and response:**

Can you please provide an update on the following 4 questions regarding your Trust's Infrastructure as it relates to the Data Storage element?

1. Please provide the following details about your Data Storage Cloud Provider:

Hywel Dda University Health Board (UHB) provides the information it holds within the tables below and overleaf.

|  |                |
|--|----------------|
| Does your Data Storage use Cloud Provision (Yes / No)? | No             |
| Who is your main Cloud provider?                       | Not applicable |
| Annual Spend 2020-21 (£'s)                             |                |
| Contract end date                                      |                |
| Additional Notes – e.g. currently out for tender       |                |

2. Does your organisation plan to move your Data Storage to a cloud-based service in the next 2 years (Yes or No)?

The UHB confirms that it does plan to move its Data Storage to a cloud-based service within the next 2 years.

|                  |           |
|------------------|-----------|
| Main Supplier    | Microsoft |
| Additional Notes |           |

3. For each element detailed below, how does your organisation manage its data storage?

|   |                   |
|---|-------------------|
| In-house data centre:                             |                   |
| On Premise OR Off Premise (N/A if does not apply) | On premise        |
| Main Supplier                                     | SecureIT Limited  |
| Annual Spend 2020-21 (£'s)                        | £11,400.99        |
| Contract end date                                 | 30 September 2023 |
| Additional Notes                                  |                   |

|   |                |
|---|----------------|
| Shared service:                                   |                |
| On Premise OR Off Premise (N/A if does not apply) | Not applicable |
| Main Supplier                                     |                |
| Annual Spend 2020-21 (£'s)                        |                |
| Contract end date                                 |                |
| Additional Notes                                  |                |

|   |            |
|---|------------|
| Data Storage Management:                          |            |
| On Premise OR Off Premise (N/A if does not apply) | On premise |
| Main Supplier                                     | Nimble     |
| Annual Spend 2020-21 (£'s)                        | £3,000.00  |

|                   |                 |
|-------------------|-----------------|
| Contract end date | 20 January 2023 |
| Additional Notes  |                 |

|   |                |
|---|----------------|
| Other (please specify):                           |                |
| On Premise OR Off Premise (N/A if does not apply) | Not applicable |
| Main Supplier                                     |                |
| Annual Spend 2020-21 (£'s)                        |                |
| Contract end date                                 |                |
| Additional Notes                                  |                |

4. Does your Trust have an on-site data centre (Yes / No)?

The UHB confirms that it does have an on-site data centre.

|  |                |
|--|----------------|
| Do you plan to build an on-site data centre (Yes / No) | Not applicable |
| If yes, what is the timeframe for this (Years)         |                |
| Who is your preferred supplier                         | SecureIT LTD   |
