

Reference:	FOI.4871.20
Subject:	Deaths from Covid-19 alone
Date of Request:	29 December 2020

Requested:

How many people have died in each hospital in wales from COVID-19 ALONE with no underlying health conditions? As in, they only died from COVID-19.

I would like it to be broken down from each hospital in Wales ...so that each county has their own individual cases.

I can see the figures that have been published online with death in the last 28 days of a positive COVID-19 test, and they could have died from other causes. I would like to know the exact figures from 1st February 2020 to 20th December 2020 of the people who have died only from COVID-19 and nothing else please.

Response:

The information requested is already within the public domain; therefore, Hywel Dda University Health Board (UHB) has applied an Exemption under Section 21 of the Freedom of Information Act 2000 (the Act), as the information is accessible by another means. The UHB has answered a similar Freedom of Information request, FOI/4761/20, which is available on our disclosure log.

For ease of reference please click on the attached link which will take you directly to the UHB's disclosure log webpage.
