

<b>Reference:</b>	FOI.5766.21
<b>Subject:</b>	Deaths from COVID-19 alone
<b>Date of Request:</b>	8 April 2021

**Requested:**

1. I would like to know how many people have died in your hospitals from Covid-19 alone.

As in they died only due to Covid-19. I am able to see the figures you publish online, however these are deaths for any reason within 28 days of a positive COVID test, so may have died from other causes. Therefore I would like to know the exact figures from 1st January 2020 – 1st April 2021 of people who have died due to Covid-19 and not anything else?

2. The percentage and number of people with underlying health conditions in the overall total?

3. The percentage and number of those without underlying health problems in the overall total?

4. The number and percentage of those that have died from Covid-19 in the overall total under the age of 50 years?

**Response:**

The information requested is already within the public domain; therefore, Hywel Dda University Health Board (UHB) has applied an Exemption under Section 21 of the Freedom of Information Act 2000 (FoIA), as the information is accessible by another means. The UHB has answered a similar Freedom of Information request, FOI/4761/20, which is available on our disclosure log.

For ease of reference please click on the attached link which will take you directly to the UHB's disclosure log webpage.
