

Reference:	FOI.5378.21
Subject:	Deaths from COVID-19 only
Date of Request:	17 February 2021

Requested:

How many people have died in your hospital from covid-19 alone? As in they died only due to covid-19.

I can see the figures that you publish online, but these are deaths within 28 days of a positive COVID-19 test, so they could have died from other causes i.e. pre-existing medical conditions.

I just want to know the exact figure from 1st February 2020 until 20th January 2021 of people that have died due to covid-19 and not anything else please?

Response:
