| Subject: | Deaths whilst on treatment waiting list |
| Date of Request: | 29 December 2025 |

Requested:

Please could I open a new request and ask you to provide the figures on how many people died (from any causes) whilst on a waiting list for cancer treatment in the last two calendar years?

Response:

Hywel Dda University Health Board (UHB) does not hold the information exactly as requested as the data cannot be extracted by calendar year. However, the UHB can confirm that seven hundred and thirty-five (735) patients on a cancer treatment waiting list passed away from any cause, during the period 1 December 2023 to 30 November 2025.
