

Reference:	FOI.3762.20
Subject:	DVT/DOAC Guidelines
Date of Request:	6 August 2020

Requested:

I'm looking into whether Hywel Dda produces a guideline document detailing the DVT anticoagulation pathway, other than what is on the formulary itself.

Could you please confirm if a pathway exists and would you be able to provide me with a copy of the document?

Response:

Hywel Dda University Health Board (UHB) confirms that it does have a guidance procedure/pathway for Deep Vein Thrombosis (DVT), other than what is on the formulary, which is currently under review.

A copy of the Diagnosis and Management of Venous Thromboembolism: Deep Vein Thrombosis (DVT) Procedure has been provided, Attachment 1.
