

Reference:	FOI.17721.25
Subject:	Diagnostic imaging services
Date of Request:	8 July 2025

Requested:

1. Diagnostic Imaging Services

- a. A list of all diagnostic imaging modalities delivered at each site (e.g., X-ray, CT, MRI, ultrasound, DEXA, fluoroscopy, interventional radiology, nuclear medicine)

Please indicate whether these services are:

- b. Provided fully in-house
- c. Partially or fully outsourced (if so, to which provider)

2. Broad-Ranging Ultrasound Services

- a. Confirmation of ultrasound provision at each hospital
- b. Types of ultrasound services offered (e.g., abdominal, MSK, vascular, obstetric, gynaecological, DVT, small parts, etc.)
- c. Number of Whole time equivalent(WTE) Sonographers currently engaged at the site(or across the board) through
 - Agency agreements
 - Insourced agreements
 - Bank/locum agreements
- d. Please name any external providers of these agreements
- e. Number of qualified sonographers currently employed per site (or across the board)
- f. Use of:
 - Internal NHS workforce
 - Agency staff
 - Locum sonographers
 - Insourced ultrasound service providers (please name any external providers, including Diagnostic World if applicable)

3. Radiography Workforce

- a. Number of Radiographers employed by band (Band 5/6/7) at each imaging site
- b. Use of agency or insourcing staff to support diagnostic imaging services (please specify providers where applicable)

4. Service Development and Future Planning Any planned expansion or development of your diagnostic imaging and/or ultrasound services within the next 12–24 months

- a. Whether there is an intention to engage with independent providers to support service resilience, RTT backlog reduction, or workforce shortfall

If possible, I would appreciate this information in spreadsheet or tabular format.

Response:

Hywel Dda University Health Board (UHB) provides the information within the attached spreadsheet as requested, at Attachment 1.
