Requested:

I have noticed that ONE of your trust's clinical systems are expiring on the 1st January 2020.
Please see below:

PACS - Fujifilm

May I ask if the system has a new contract expiration date, what is this date and are they annually renewed?

Please let me know if they are still in use and if not, what supplier systems have replaced them.

Response:

Hywel Dda University Health Board (UHB) confirms the PACS Fuji film contract has been renewed as part of an All Wales contract managed by NHS Wales Informatics Service (NWIS).
