

Reference:	FOI.035
Subject:	Doctors employed by Hywel Dda University Health Board (UHB)
Date of Request:	29 January 2019

Requested

I would like to know the number of Doctors in Hospitals and Paramedics based in the HDdUHB Region as part of a research project into the effectiveness of the health board, and how current changes will have an effect on the healthcare provided.

Response:

Hywel Dda University Health Board (UHB) currently employs 1,018 medical staff within its hospitals, this equates to a full time equivalent (FTE) of 672.20.

Unfortunately, the UHB is unable to provide information of paramedics as they are not employees of the HB but of Welsh Ambulance Service Trust (WAST).

The UHB would therefore recommend you redirect the second part of your request to WAST, further information on how to do this is available via the link below:
