

<b>Reference:</b>	FOI.12164.23
<b>Subject:</b>	Electronic Patient Record (EPR) software
<b>Date of Request:</b>	10 July 2023

**Requested:**

Under the Freedom of Information Act, I would like to request the following information please:

Specific to your Ophthalmology Department, what Electronic Patient Record software do you use in the Retinal Clinic for diabetes?

**Response:**

Hywel Dda University Health Board (UHB) confirms that it does not have a fully operational EPR system for its Retinal Clinic for diabetes. However, the UHB does use the Welsh Patient Administration System (WPAS) for recording of all patient health records.
