

Reference:	FOI.10394.22
Subject:	Endoscopy waits for those with suspected Inflammatory Bowel Disease (IBD)
Date of Request:	30 November 2022

Requested:

1. The number of patients on the endoscopy waiting list with suspected Inflammatory Bowel Disease.
2. The number of patients with suspected Inflammatory Bowel Disease who are waiting more than 6 weeks for endoscopy.
3. The percentage of patients on the endoscopy waiting list with suspected Inflammatory Bowel Disease.
4. The percentage of patients with suspected Inflammatory Bowel Disease who are waiting more than 6 weeks for endoscopy.

Response:

Hywel Dda University Health Board (UHB) has provided the information requested relating to patients with suspected IBD on the Endoscopy waiting list in Attachment 1. Please note this information can only be provided for patients whereby their referral stated IBD or suspected IBD.
