The total cost of purchasing the 4 fax machines since 01/04/20.

**Response:**

Hywel Dda University Health Board (UHB) confirms that only 2 (two) fax machines were purchased during the period 1 April 2020 to 6 November 2023. Please accept our apologies for the incorrect information being provided to you in response to FOI.13066.23. This was due to an oversight when searching the system, where two (2) other devices were identified incorrectly due to the description of the items containing the word 'fax; however, it has since been confirmed that they were not fax machines.

Therefore, the UHB confirms that the cost of the two (2) new machines purchased was £387.22, during the period, 1 April 2020 to 6 November 2023.
