Subject:	Finance structure
Date of Request:	2 February 2026

Requested:

Can I please have details by return email of the details of the Finance function staffing structure in Hywel Dda UHB.

I would like the structure to show the groups of staff in each sub-department (e.g. statutory accounts, business partners, capital etc) and also WTEs, banding and job titles for each post (including any vacancies).

Response:

Hywel Dda University Health Board (UHB) provides a copy of its Finance Function Organisational Structure, at Attachment 1.
