Date of Request:	25 February 2026

Requested:

Please provide details of all the occasions on which wards, departments or services at hospitals and other sites operated by your NHS Wales local health board have been temporarily or permanently closed due to flooding caused by external weather events e.g. heavy rainfall, river flooding etc., over the period 2021/22 to 2025/26.

Specifically, please provide the following information in a spreadsheet format:

- Site name (e.g. hospital)
- Name of ward/department/service that was affected
- Length of closure

I realise that the 2025/26 data will be incomplete, but please provide information for 2026 up to 24 February.

Response:

Hywel Dda University Health Board (UHB) does not hold the information requested, as it has no recorded instances whereby wards, departments or services have been closed due to flooding, during the 2021/22 to 2024/25 financial years and the period 1 April 2025 to 24 February 2026.
