

Reference:	FOI.10601.22
Subject:	Functional Neurological Disorder (FND)
Date of Request:	28 December 2022

Requested:

1. The number of NHS Functional neurological disorder/conversion disorder/functional seizure specific departments or centres in your health board.
2. The most common diagnostic tests used across your health board to diagnose patients with functional neurological disorder/conversion disorder/functional seizures in the last 5 years.
3. The most common treatments used across your health board to support patients with Functional neurological disorder/conversion disorder/functional seizures in the last 5 years.
4. The number of patients in your health board diagnosed with Functional neurological disorder/conversion disorder/functional seizures in the last 5 years

Response:

Hywel Dda University Health Board (UHB) regrets to inform you that it does not hold the information requested. Patients diagnosed with or undergoing testing for FND are referred to Swansea Bay University Health Board (SBUHB) and are managed according to the specialist advice from that Health Board.

Therefore, we recommend that you redirect this part of your request to the Freedom of Information Team at SBUHB who may be able to help you further. The contact details are as follows:

FOIA.Requests@wales.nhs.uk or alternatively, you can contact: FOIA Team, Swansea Bay University Health Board, Health Board Headquarters, 1 Talbot Gateway, Port Talbot, SA12 7BR.
