

Reference:	FOI.2574.20
Subject:	Gambling addiction
Date of Request:	21 February 2020

Requested:

1. Does Hywel Dda University Health Board have a referral pathway for a patient who presents as a problem gambler?
2. If it does what is the pathway?

Response:

Hywel Dda University Health Board (UHB) does not currently provide or commission specific gambling addiction services. Individuals identified as having a gambling issue whilst accessing Health Board provided or commissioned services, would be referred on to the Addiction Recovery Agency (ARA), and provided with information on other gambling services available, such as Gamcare and Gamble Aware service.
