Requested

How many people under the age of 18 were referred for help with a gambling addiction in your jurisdiction between June 2014 and June 2019?

Response:

Hywel Dda University Health Board (UHB) does not currently provide or commission specific gambling addiction services. Individuals, irrelevant of age, identified as having a gambling issue whilst accessing Health Board provided or commissioned services, would be referred on to the Addiction Recovery Agency (ARA), and provided with information on other gambling services available, such as Gamcare and Gamble Aware service.
