

<b>Reference:</b>	FOI.825.19
<b>Subject:</b>	General Data Protection Regulations (GDPR) breaches
<b>Date of Request:</b>	28 May 2019

**Requested and Response:**

1. Did you suffer any data breaches which broke GDPR rules between 25th May 2018 and 24th May 2019?

Yes, Hywel Dda University Health Board (UHB) did suffer data breaches which broke GDPR between 25 May 2018 and 24 May 2019.

2. If so how many separate incidents of data breaches were there during the above period?

The table overleaf provides the number of data breaches recorded by Hywel Dda University health Board (UHB) within the requested timeframe, broken down into the categories provided.

Personal Data Breach (Investigated Internally)	18
Personal Data Breach (Reported to ICO)	8
Personal Data Breach (Minor)	44
Total	70

3. How many individuals/persons were affected by any data breaches recorded by you as a local authority?

The UHB's reporting tool does not provide this data.

4. If there were breaches how many of these were referred by you to the Information Commissioner's office?

Please see response to question 2.

5. Have you been fined for any of these data breaches under GDPR rules (if there were any)?

The UHB has not incurred any fines for the breaches suffered.

6. If so, what was the total amount paid out - and for how many data breaches?

Please see response to question 5.

7. Do you have a specific budget for any GDPR breaches and if so how much money have you put aside?

The UHB does not have a budget assigned for GDPR breaches.
