Subject:	GP Practice email addresses
Date of Request:	25 June 2026

Requested:

Under the Freedom of Information Act 2000, I am writing to request contact information for all General Practitioner (GP) practices currently operating within your health board's area.

1. Specifically, I request that the data be provided in an electronic format (CSV or Excel) containing the following fields for each practice:
 - a. Official NHS Practice Code
 - b. GP Practice / Surgery Name
 - c. Main Administrative or Public Contact Email Address (e.g. reception, enquiries, or practice manager)

Response:

- 1a. Hywel Dda University Health Board (UHB) has applied an exemption under Section 21 of the Freedom of Information Act 2000 (FOIA) as the information requested is already in the public domain and accessible by another means.

GP Practice codes are available on the ODS Data Search and Export website. A link to the website is provided below:

[ODS Data Search and Export](#)

- 1b. The UHB provides the names and addresses of GP Practices within its geographical area, at Attachment 1.
- 1c. The UHB does not hold email addresses for all GP Practices within its geographical area. However, each GP Practice has its own website, which includes contact details. For ease, the links to the GP Practice websites are included within Attachment 1.
