**Requested:**

Wondering if it's possible that there are latest figures for Hywel Dda GP workforce available as the stats available here ( [Fully qualified GPs \(headcount\) by age band and local health board \(gov.wales\)](#) ) only go to December 21.

So how many GPs are there in the total workforce as of this month or latest available, and how many of these are aged 56 or over?

And can you also add how many in any of those categories are in Ceredigion? No need to know named but just that they operate at a GP surgery in Ceredigion.

**Response:**

Hywel Dda University Health Board (UHB) regrets to inform you that it does not hold all of the information requested, as GP independent contractors are not employed by the UHB.

However, the UHB can confirm that it currently employs five (5) salaried GPs, who are working as a GP in a UHB Managed Practice. Of these, two (2) are aged 56 or over. None of the five (5) are based in a Ceredigion GP Practice.
